Achievements: Top 10 in class
Class XII Maharashtra
with 54% in 2022
Achievements: Top 10 in class, Received scholarship
Class X Maharashtra
with 79.8% in 2020

INTERSHIPS AND PROJECTS

Internships **Rajvavi Technologies** (Duration December 2024 - January 2025)
I successfully completed a one-month internship in Robotic Process Automation (AI & ML) from 20th December 2024 to 20th January 2025 under the guidance of Ms. Mohini Arkas. During this period, I gained exposure to departmental operations, management processes, and automation techniques. The internship enhanced my skills in AI, ML, problem-solving, and process automation.
Projects **snapfit** (Duration January 2024 - February 2024)
SnapFit: BMI & Wellness App is a smart health application that calculates BMI from an image using AI and computer vision. It provides personalized health, diet, and fitness recommendations based on the BMI category. The app aims to promote self-awareness and wellness through an easy-to-use, AI-driven platform.
